

Hankyu Hanshin Express (HK) Ltd.

Integrated Management System Policy

Link to Life. Link to the World. Link to the Future.

Connecting lives, connecting the world and connecting the future.

We are committed to remaining a company that perpetually contributes to the world by globally concerning information and thoughts rather than merely transporting cargo.

Incorporating with the principles of Hankyu Hanshin Express Way, we always bear in mind our corporate values and responsibilities within society. While competing for sustainable returns, we are also committed to improving our Integrated Management System by:

- complying with applicable statutory, regulatory and other requirements,
- trying our best to protect the environment,
- adopting a continual improvement approach towards product, service, environmental, information security and OH&S performance,
- understanding and meeting rising aspirations of customers,
- eliminating hazards and reducing OH&S risks generated from our operations,
- providing mechanism to consultation and participation with our staff members,
- communicating this policy to all staff, our external providers and the public, and
- continually developing, implementing and maintaining the Integrated Management System (IMS) that complies with ISO 9001:2015, ISO 14001:2015, ISO 27001:2022 & ISO 45001:2018 requirements
